

15.09.2021

DAY 1

08.15 **REGISTRATION & COFFEE**

09.00 **CHAIRMAN'S WELCOMING MESSAGE**

Jens-Ole Aagaard Jensen, Danish Industry DI, FocusBioEnergy

09.15 **Karin Medin, Söderenergi**

Bioenergy – an important contribution to fight climate protection

09.45 **Lauma Kazusa, SUEZ Trading Europe**

Wood and waste – where are we heading?

10.15 **MORNING REFRESHMENTS – NETWORKING BREAK**

11.00 **Bharadwaj Kummamuru**

Global development of the bioenergy sector

11.30 **Michał Długosz, Bioenergy Europe**

Fit for 55 package. Impact on the European Bioenergy Industry

12.00 **Rune L. Sørensen, Danish Bio Commodities**

Financing of Danish biogas plants, and biomasses from a risk perspective

12.30 **NETWORKING LUNCH**

14.00 **Carlos Retortillo, ENCE – Energia y Celulosa**

Digital transformation in the biomass market

14.30 **Robert Seehawer, European Energy Exchange**

EEX Biomass Futures – managing volatility and price risk in Wood Pellets

15.00 **Andrius Smaliukas, Baltpool**

A new approach to sustainable biomass trading: Baltpool International Biomass Exchange

15.30 **AFTERNOON REFRESHMENTS - NETWORKING BREAK**

16.00 **Peter Kofod Kristensen, ØRSTED**

How to produce and promote sustainable biomass

16.30 **PANEL DISCUSSION: Climate change and biomass industry/ Quality controlling + Q&A**

17.00 **CHAIRMAN'S CLOSING REMARKS AND DRINK RECEPTION**

16.09.2021

DAY 2

08.50 CHAIRMAN'S WELCOMING MESSAGE

09.15 **Michael Schytz, HOFOR**

Biomass supply chain and demand

09.45 **Bjarne Munk Jensen, AffaldVarme Aarhus**

Biomass is an important part of the future cohesive energy system.

10.15 MORNING REFRESHMENTS - NETWORKING BREAK

11.00 **Anders Egelrud, CEO, Stockholm Exergi**

Sustainable Energy for future generations

11.30 **Frank Leuschke, Doosan Lentjes**

Climate friendly biomass combustion with advanced CFB technology

12.00 **Michael Bartlett, Phoenix BioPower**

Doubling the efficiency of biopower and halving the cost of CO2 capture

12.30 NETWORKING LUNCH

13.30 **David Frykerås, Againity**

Revenge of the ORC turbine – How Againity transformed 20+ Scandinavian heating plants into CHP

14.00 **Martin Rödén, Blucarbon Solutions**

Bio-energy with carbon capture and storage

14.30 **Richard Peberdy, DRAX**

Forests and biomass demand – what the data can tell us.

15.00 AFTERNOON REFRESHMENTS – NETWORKING BREAK

15.30 **Annette Risberg, LiqTech Holding**

Flue Gas Condensate – Problem or Opportunity

16.00 CHAIRMAN'S CLOSING REMARKS
